The Board of Directors
Heart for Lebanon Foundation
Black Mountain, North Carolina

We have audited the accompanying financial statements of Heart for Lebanon Foundation, which comprise the statements of financial position as of December 31, 2016 and 2015 and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Heart for Lebanon Foundation as of December 31, 2016 and 2015, and the results of the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

1. Summary of Significant Accounting Policies

Nature of Foundation

Heart for Lebanon Foundation (the "Foundation") was incorporated on June 25, 2007 and is a nonprofit corporation whose purpose is to facilitate proper education, provide humanitarian aid, strengthen community development, and to assist individuals living within the country of Lebanon in recovering from the effects of war through the provision of relief supplies and services.

The Foundation's support comes primarily through fundraising events, individual contributions and corporate contributions.

Basis of accounting

The Foundation's financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Financial statement presentation

The Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets. Unrestricted net assets are expendable resources used to support the Foundation's administrative and general functions. These net assets may be designated by the Foundation for specific purposes under internal operating and administrative arrangements or be allocated to be used for a specific program. All expenses are recorded as a reduction of unrestricted net assets.

Temporarily restricted net assets. Temporarily restricted net assets are grants from various sources such as individuals, foundations, not-for-profit organizations, and churches. These grant revenues are subject to certain grantor requirements and are released when the Foundation incurs related expenses that satisfy the grantor's purpose.

Permanently restricted net assets. There are no permanently restricted net assets.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents

For the purpose of the statement of cash flows, the Foundation considers all money market account balances to be cash equivalents, except those that are part of the investment portfolio.

Investments

Investments in marketable securities that have readily determinable fair values and all debt securities are stated at fair value in the statement of financial position. Unrealized gains and losses are included in the change in net

Heart for Lebanon Foundation Notes to Financial Statements

assets in the accompanying statement of activities. The Foundation maintains money market funds and mutual funds which are stated at fair value based on market price on December 31, 2016 and 2015.

Investment income is recorded net of investment expenses. For the years ended December 31, 2016 and 2015, investment expenses were \$9,743 and \$8,304, respectively.

The Foundation's investment portfolio is exposed to various risks, such as interest rate risk, market risk, and credit risk. Because of the level of risk associated with such investments, changes in their values will occur, and such changes could materially affect the amounts reported in the Foundation's financial statements.

Funds held for others and funds payable to related party

The Foundation has a separate segregated investment fund that is for the sole benefit of the Foundation's Chief Executive Officer who lives and is based in Lebanon. This fund's activity is not included on the Foundation's financial statement since the activity belongs to the Chief Executive Officer.

Contributions and revenue recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Support restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Donated services

The Foundation receives donated services from a variety of unpaid volunteers assisting in its activities. Contributed services are recorded only if the service creates or enhances nonfinancial assets, requires a specialized skill, is performed by persons possessing those skills and would otherwise have to be purchased. There were no contributed services that met these criteria.

Functional Expenses

The Foundation allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program or support service are allocated directly according to their nature and expenditure classification. Other expenses that are common to two or more functions are allocated based on management's estimate of the program activities benefited. General and administrative expense provide for the overall support and direction of the Foundation.

Income Taxes

Heart for Lebanon Foundation is incorporated as a nonprofit corporation under the laws of the State of North Carolina. It qualified as a tax-exempt entity under Section 501(c)(3) of the Internal Revenue Code ("IRC") and is not subject to federal income taxes except for income from its unrelated business activities. In addition, the Foundation qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as a Foundation that is not a private foundation under Section 509(a)(2).

Tax Positions

The Foundation follows the provisions of "Accounting for Uncertainty in Income Taxes" issued by the Financial Accounting Standards Board ("FASB") which clarifies the accounting for the recognition and measurement of the benefits of individual tax positions in the financial statements, including those of nonprofit foundations. Tax positions must meet a recognition threshold of more-likely-than-not in order for the benefit of those tax positions to be recognized in the Foundation's financial statements.

Heart for Lebanon Foundation Notes to Financial Statements

The Foundation analyzes tax positions taken, including those related to the requirements set forth in IRC Sec. 501(c) to qualify as a tax exempt Foundation, activities performed by volunteers and board members, the reporting of unrelated business income, and its status as a tax-exempt foundation under North Carolina state statute. The Foundation does not know of any tax benefits arising from uncertain tax positions and there was no effect on the Foundation's financial position or changes in net assets as a result of analyzing its tax positions.

Advertising Costs

Advertising costs are charged to operations when incurred.

Conflict of Interest Policy

It is the policy of the Foundation that all officers and directors shall disclose any conflict of interest between their own individual interests and the interests of the Foundation. The Foundation has a conflict of interest policy whereby board members must advise the board of any direct or indirect interest in any transaction or relationship with the Foundation and not participate in discussions and decisions regarding any action affecting their individual, professional, or business interests.

Subsequent Events

Subsequent events were reviewed for the Foundation through March 29, 2017, the date the financial statements were available to be issued.

Dr. Camille Melki is the Chief Executive Officer for the Foundation and the affiliated Heart for Lebanon based in Lebanon. Dr. Melki is contracted annually by the Foundation's Board of Directors to serve as a missionary who raises his own financial support, and as Chief Executive Officer, to oversee the day-to-day operations of the affiliated Lebanese organization. He reports to and is accountable to the Foundation's Board of Directors and the affiliated Lebanese organization's General Assembly. During the years ended December 31, 2016 and 2015, the Chief Executive Officer raised approximately \$155,000 and \$151,000, respectively, in contributions.

The Foundation has a separate segregated investment fund that is for the sole benefit of the Chief Executive Officer. Heart for Lebanon Foundation Notes to Financial Statements

The members of the Foundation's board of directors contributed approximately \$20,100 and \$21,100 in 2016 and 2015, respectively.

The Foundation contracts services for day-to-day operations with a company that is related to a board member. In December 31, 2016 and 2015, the Foundation paid \$317,507 and \$268,095, respectively, to this company to perform the general administration function and the fundraising function. The Foundation also used a company related to a board member to facilitate radio advertisements. The Foundation reimbursed the company \$202,734 and \$ - during the years ended December 31, 2016 and 2015 for these advertisements.

6. Concentration of Credit Risk and Contingencies

The Foundation's cash deposit balances on occasion may exceed the FDIC limit during the year. Management believes that it is not exposed to any significant credit risk on its cash balances.

Financial instruments, which potentially subject the Foundation to concentrations of credit risk, consist of money market accounts and investment securities. The Foundation has significant investment in various types of mutual funds and therefore, is subject to concentration of credit risk. Investments are made by an investment manager engaged by the Foundation, and is monitored by the board of directors. Although the fair value of investments is subject to fluctuations on a year-to-year basis, management believes the investment policy is prudent for the long-term welfare of the Foundation and its purpose.

7. Concentration of Revenue and Support

In 2016 and 2015, the Foundation received 34% and 39%, respectively, of its support from three donors. Revenues from the major sources for the years ending December 31, 2016 and 2015 are as follows:

	<u>2016</u>	<u>2015</u>

8. Functional Allocation of Expenses

The Foundation provides direct funding for programs based in Lebanon. This amount was remitted to an affiliated Foundation in Lebanon. Management and general expenses consisted mainly of financial administration expenses and for day-to-day operations. Fund raising expenses are costs related to fundraising campaigns in the United States and related travel and communication costs.

The direct funding program expenditures in 2016 and 2015 were for the following:

	<u>2016</u>	<u>2015</u>
Administration	\$ 57,160	\$ 88,000
GSL Opportunities	283,626	106,000

Capital Campaign	<u>615,211</u>	<u>354,000</u>
	<u>\$ 3,692,721</u>	<u>\$ 2,405,000</u>

9. Fair Value Measurements

Assets recorded at fair value in the statement of position are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Level inputs are defined as follows:

- Level 1. Unadjusted quoted prices in active markets for identical assets and liabilities.
- Level 2. Observable inputs other than those included in Level 1, such as quoted market prices for similar assets or liabilities in active markets, quoted market prices for identical assets or liabilities in inactive markets, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3. Significant unobservable inputs reflecting management's own assumptions about the inputs used in determining the fair value.

Fair values of assets measured on a recurring basis as of December 31, 2016 and 2015 are as follows:

	<u>Assets at Fair Value as of December 31, 2016</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Marketable securities	<u>\$ 946,224</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 946,224</u>
	<u>Assets at Fair Value as of December 31, 2015</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Marketable securities	<u>\$ 554,447</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 554,447</u>

Fair values for investments are determined by reference to quoted market prices and other relevant information generated by market transactions.
